MAYVILLE STATE BANK CUSTOMER NEWSLETTER

Your Community Bank

If you search the web for “what makes a bank a bank,” the short answer would be that banks basically make money by lending money at rates higher than their cost of money. But if you add the word “Community” to your search, Wikipedia would bring back the following:

“A community bank is a depository institution that is typically locally owned and operated. Community banks tend to focus on the needs of the businesses and families where the bank holds branches and offices. Lending decisions are made by people who understand the local needs of families, businesses and farmers.” We at MSB agree with Wikipedia and strive daily to meet its definition.

We acknowledge our financial responsibilities to enhance the quality of life in the communities we serve. When you bank with us you are also supporting your local community.

In addition to establishing financial relationships, we also commit substantial support through leadership and funding to many activities, local organizations, municipalities and schools. We embrace our role as an ambassador to area newcomers and appreciate being recognized as a cornerstone of the community.

We employ people who support the local economy because they live, work, shop and recreate locally. They volunteer many hours of personal time and talents to service clubs, churches, youth sports, festivals and other non-profit organizations.

Mayville State Bank has existed since 1885 because it remains focused on knowing and fulfilling the needs of the people and businesses in our service community. It is our privilege to serve you and with your support we strive to remain your local community bank.

Local Festival Highlights

MSB Staff Relay4Life

Mayville State Bank employees hosted a Caramel Apple booth at the Tuscola County Relay for Life event held at Caro Community High School on August 18, 2018. Employees used their FUNdraising skills by taking donations, selling candy bars, hosting bake sales, participating in pallet parties, saving pop bottles, selling plants and holding cook-off contests during the past year. More than \$11,000 has been raised for this cause since 2012. This feat would not have been possible without our amazing customers! THANK YOU!!

Lauryn Frenzel

Mayville State Bank Scholarship Winners

Mayville State Bank is pleased to have awarded two \$1,000 scholarships to local high school graduates. Congratulations to Lauryn Frenzel from Mayville High School and Gabrielle Sergent from Millington High School. Lauryn will be attending Ferris State University and Gabrielle will be attending Saginaw Valley State University in the fall.
