Processing solutions to meet the needs of every business

PAYMENT PROCESSING

A complete credit and debit card processing solution for retail, mail order/telephone order and internet with multiple product and program options.

POINT OF SALE SYSTEMS

Full-featured POS systems to manage any business type, including inventory tracking, HR, marketing and business analytics.

VIRTUAL TERMINAL

Process credit cards and ACH payments in a secure, reliable and cost-effective system for authorizing and managing transactions over the internet.

GIFT AND LOYALTY CARDS

A turnkey Gift/Loyalty Card program that includes custom four-color printing and multiple program types to provide the ultimate in flexibility.

MEDICAL PAYMENTS

Web-based software designed to calculate, process and collect patient's payments quickly and cost-effectively.

SMART TERMINALS

Smart terminals provide an enhanced, modern transaction experience with touch screens, contactless payments and pay-at-table options.

MOBILE PAYMENTS

Securely process payments anywhere utilizing an existing merchant account and the convenience of a mobile device.

CHECK SERVICES

Guaranteed check conversion allows merchants to process checks as easily and safely as credit cards.

INVOICE PRESENTMENT

Provides municipalities with an effective and simple method for delivering statements, including a convenient way for residents to pay and track bills.

DONATION MANAGEMENT

Nonprofits can initiate and manage online fundraising programs by accepting one time and recurring donations, membership dues and registrations.
