### *'Tis the Season for Giving – Tips for Making Safe Donations*

Found an ad for a charity that you would like to donate to? Here's how to find out whether it's legit and if it will really support the programs you care about:

#### **Do Your Research**

Search the charity's name plus "complaint," "review," "rating," or "scam." Use an organization such as **BBB Wise Giving Alliance** or **CharityWatch** to research charities before deciding to donate to them. If you're looking to donate through a crowdfunding page, use caution and keep an eye out for signs of a scam before you give. Signs of a scam may include pressure tactics, a lack of transparency, unrealistic claims, and unverifiable information about the organizer or project.

#### **Pay by Check or Credit Card**

If a charity insists you pay by wiring money, using cryptocurrency, using a payment app, or a sending a gift card, that's a scam.

#### **Check Out the Website**

Find out how much of your donation will go directly to support the programs you care about. If you can't find detailed information about a charity's mission and programs, walk away.

Spotted a charity scam? Tell the FTC at [ReportFraud.ftc.gov](https://www.ftc.gov/report-fraud).

## Now Accepting Toy Donations!

Mayville State Bank will be working with the Thumb Area Mud Runners again this year to collect toys for the Tuscola County Christmas Program. Please help us out by going to our Main Office in Mayville or our Millington Office to donate a new toy for a child. Donations will be accepted until December 15th.
